Re: MUR 5813 (In re Georgia Medical Political Action Committee)

Dear Ms. Brown:

We write in regard to the above-captioned matter on behalf of our client, the Georgia Medical Political Action Committee. A designation of counsel form is attached reflecting our representation of the PAC and its treasurer.

The Commission's reason to believe letter was received on November 13, 2006, and our response is therefore due on December 13. We hereby request an extension for filing a response to the reason to believe letter, January 10, 2007. The extension is necessary because counsel is scheduled to be in trial for several weeks beginning December 4, in an election related matter in New Hampshire. In addition, holiday travel plans will make communication with PAC personnel difficult.
